CHERISH THE PRESENT.. SECURE YOUR FUTURE

Welcome to Rhythm ResiTel, situated across Kumarakom's magnificent backwaters. Uniquely combining the benefits of owning a holiday home and earning steady returns in a 5-star luxury resort, Rhythm ResiTel offers the best of both worlds. For those who want to invest their money where it grows without much effort, this is a great investment.

Apart from being a wise investment, it is also a great option for a holiday home in God's Own Country, Kerala, where you can get away from the bustle of the city and relax.

STEADY INCOME WITH CAPITAL APPRECIATION

There is a steady flow of tourists to this magnificent destination that ensures a regular rental return every month for unit owners. Earn a regular and stable income through a common rental pool arrangement with the hotel. Take advantage of the growth in the hospitality sector both in terms of income yield and capital value.

A CHERISHED INVESTMENT ALONG KERALA'S BACKWATERS

Globally, Kerala receives a lot of traction when it comes to tourism. Considering its abundant natural beauty, it is a popular vacation destination for families. Located just two hours from Kochi, Kumarakom is the perfect destination for family vacations. It is also popular for destination weddings and mice events, which make up a significant portion of revenue for the hotel industry.

Unit owners get complimentary room nights within the resort & enjoy all the perks of a vacation home without having to incur any costs or hassles for maintenance. Own a convenient holiday home in Kumarakom by investing in a Resort Suite.
